

Happy Valentine's Day!  
to one of my favorite Angels!

Thanks for being you!

Enjoy these David Archuleta cards created for you by --bianca for Valentines Day 2010.

They will be 3 x 4 inches each if printed. I recommend printing on the heaviest photo paper you have.

For digital versions that you can email or post on your own site see my blog at <http://www.bearsafloat.net/smileblog>. Please credit me if you post them.

I have other goodies on my blog too--I hope you stop by for a smile sometime!
